Subject: 4575 Granville Street

I am writing to express my support for 4575 Granville Street. I'm a resident of Marpole.

This project deserves to be approved because:

- This project will make Shaughnessy a more vibrant, exciting neighbourhood
 - Central, walkable neighbourhoods like this are the best places to build more homes
 - If we want people to use public transit, we need to let them live near it
 - We desperately need more rental homes in Vancouver
-
- It's hard to believe a project like this required a long, uncertain rezoning. We're in a crisis, please act

Best regards,
Robert Baxter

Hello,

This email is about 4575 Granville Street, which I support. This project is in a great location and I'd love to live there someday. I live in Shaughnessy and will be affected by this project. I have friends and family who live nearby, and I want the best for them.

I urge you to approve 4575 Granville Street because:

- I would like to move to Shaughnessy someday, and that will be easier if there are more homes there
- If there are more homes like this, it's less likely that I will be priced out of the area
- I want my friends and family to be able to live in Shaughnessy, and they won't be able to do that if there aren't enough homes
- Central, walkable neighbourhoods like this are the best places to build more homes
- If we want people to use public transit, we need to let them live near it
- We desperately need more rental homes in Vancouver

I would also like to see the following if possible:

- I'm disappointed that the project doesn't have even more units
- I would like the project to have more family-sized units
- Building homes like this shouldn't require an entire rezoning

In short, council should approve this project.

Respectfully yours,
Saj Karsan
