To Whom it May Concern,

My name is Ying Duan. I am living s. 22(1) Personal and very close to 6161 Cambie St. After I read the proposal of 6161 Cambie St, I am worried about the parking spaces they have. Right now their parking spaces are very tight, and a lot of their cars have to park in the back street between Cambie and Ash Street and cause a lot of inconvenience for the residents in the neighborhood. After development, they will have more offices to offer more courses, and I believe they will expect more students and more cars. 31 parking spaces are not enough and they will have more cars parking on the back street, which is unacceptable. I hope you can reconsider their proposal and request them to add more parking spaces.

Thank you for your attention to this matter.

Ying Duan
