We are a French family living in Vancouver for 9 years. Our children are born here and we try to educate our children in a dual culture. We have been registered at the Alliance Française for only 6 months because we moved to the s. 22(1) Personal and Confidential . The Alliance Française helps us enormously in our approach, thanks to the resources it offers, also thanks to the proposed events. The welcome is warm, we feel like in a family. Our kids love it.

Best Regards.

Yannick Maury, Céline Foucault, our sons, Vadim and Milenko.

We are French people who often go to the Alliance Française to attend cultural and friendship meetings. So we hope for a better adapted building for disabled people and for more people and open to everyone interested in French culture.
