I am full support of this project as it is much needed not only for the building's improved facilities, but the addition of a new art gallery space as well will drastically improve visibility of French artistic content and culture.

Cheers,

Hello,

My name is Pauline Mansey, i am a french architect in Vancouver.

I am a regular volunteer at the Alliance Française, located at 6161 Cambie Street in Vancouver.

And very quickly, with my expert eyes, I felt the lack of modern equipment and a space too small for the ambition of the community.

The French community is growing every day, so it is important to act now !

That's why, with all my heart, I support the redeveloppement project. This is a great opportunity to offer the French community incredible events in places worthy of the name. To highlight upcoming cultural events (theater, concert, film, festival) to raise awareness and open more French culture to the city of Vancouver.

Sincelery,

Pauline Mansey
