

Rental Housing at Renfrew Street and East 10th Avenue

By signing this, I provide my support for the Molnar Group's rezoning applications at 2543-2583 Renfrew Street & 2895 E 10 Avenue, and 2603-2655 Renfrew Street. Given the current housing crisis, these proposals will bring a total of 178 much needed rental homes, at both market and below-market rates, to the city. I support increasing the supply of rental housing in transit-oriented locations, like next to Renfrew Skytrain Station.
