VIA EMAIL January 21, 2020

Attn: Mayor Kennedy Stewart and City Councillors:

Re: Please delay and defer changes to the Grandview-Woodland Community Plan

The Grandview-Woodland Area Council would like to convey our deep concerns about the very long list of amendments to the Community Plan that have been included in item #6 of the agenda for the Public Hearing on January 21st. This item reads as follows (emphasis added):

*6. REZONING: Rezoning of Certain Properties in the Nanaimo Sub-area of the Grandview-Woodland Community Plan, **and Related Plan Amendments***

The wider community of Grandview-Woodland never received any public notification of the Plan Amendments, nor were there any Open Houses to discuss changes to many sections of the Community Plan that have wide impacts across the neighbourhood. The full final text and final diagrams for the Plan Amendments have not been included in the report.

Thus, we kindly request that Council sever the sections of this item on amending the Community Plan, and at this Public Hearing limit the discussions and final votes to only to the rezoning of parcels in the two identified blocks (Kitchener and Nanaimo and E12th and Nanaimo St).

Please vote to delay and defer any changes to the Grandview-Woodland Community Plan (GWCP) until a later date.

In this manner, due process can be followed with considering changes to the Community Plan, the full text of the proposed changes as well as completed illustrations can be reviewed, and this matter can be considered after public consultation and feedback.

Thank you for your consideration,

|
