To Mayor and Council,

I live on "s. 22(1) Personal and Confidential" and am part of the rezoning plan.

I am in favour of the rezoning as it makes sense for our community and location, but what I want to comment on the letters received regarding communication and open houses or lack thereof.

City planning has been excellent in their communication to the neighbourhood and have held several open houses at Trout Lake community centre and at the Croatian Cultural Centre. I would like to commend them on the way that they have taken us through this process and kept the neighbourhood informed every step of the way.

Warm regards

Mike
