Subject: [EXTERNAL] City taxpayer still waiting for amenities in the East Fraserlands

City of Vancouver Cybersecurity WARNING: This is an external email. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hello;

I live in the East Fraserlands (the foot of Jellicoe. I'm emailing to add my voice to the push for City to finally deliver on the amenities it promised for this forgotten part of the City. I often think that my home was in Kerrisdale - maybe the Arbutus corridor - the City would respond faster. My husband and I moved here when my daughter was 1 year old. She's going to be 19 in a few months, and there's still no more City amenities than there was when we moved in. Shame on the City. We need the promised Community Centre, the promised playing fields, the promised Daycare, the promised Schools, the promised parks, the promised walkways. What's stopping you?

Best regards,
Susan Burgess
