SUBJECT: CD-1 Rezoning: 2776 Semlin Drive and 2025 East 12th Avenue – deletion of Sign By-law amendment recommendation

This memorandum informs Council of deletion of the recommendation pertaining to a Sign By-law amendment for the above item which was referred to Public Hearing on March 10, 2020.

The Referral Report dated February 25, 2020, entitled "CD-1 Rezoning: 2776 Semlin Drive and 2025 East 12th Avenue" contained the following recommendation which is not required for this application:

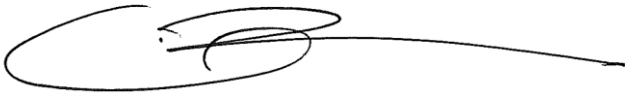

- D. THAT, subject to enactment of the CD-1 By-law, the Sign By-law be amended generally as set out in Appendix C;

FURTHER THAT the Director of Legal Services be instructed to bring forward the amendment to the Sign By-law at the time of enactment of the CD-1 By-law.

After referral, staff determined that the Sign By-law already provides for signs related to Church uses and that a Sign By-law amendment would not be needed to include the proposed CD-1 By-law.

As such, a By-law to amend the Sign By-law has not been posted for this item and the recommendation to approve such an amendment is not included in the Summary and Recommendation.

As the above recommendation from the Referral Report is longer being put forward, no action by Council is required.
