### **A By-law to Amend Street Vending By-law No. 10868 Regarding Amendment to Patio Definitions**

The attached By-law makes a minor amendment to the Street Vending By-law to remove the current restriction of patios to food service establishments. This minor amendment will allow any business in the City of Vancouver to apply for a small patio on public property. This is a permanent change to the By-law and will allow non-food service businesses to apply to use public space on a permanent basis if the General Manager of Engineering Services approves.
