06/25/2020	PH2 - 3. Rezoning and Heritage Designation: 6825 West Boulevard	Support	I support this development because there is a need for density in this neighbourhood, and utilizing such a large lot for multiple homes only makes sense rather than having one single family home. This will bring more families back into the neighbourhood.	Terri joyce	Homeowner	s. 22(1) Personal d f i d i l	Dunbar-Southlands	No web attachments.
