3. Comments:

I am in support of this development. I think the Moderate Income Rental Housing Pilot Program is a good idea, and that the project looks beautiful.

I know a lot of speakers raised concerns about the integrity of Little Saigon, and I don't see this being an issue here. As someone who shops at many of these businesses, like Ba Le, I think more traffic will go to these businesses.

It's so important that we allow for more density, particularly on sites like this one, close to King Edward Village.
