CD-1 Rezoning: 4506 Rupert Street and 3309 Price Street	Other	Unless the City has a clear vision for the City and each sub qareas many projects are not going to help to many people. The City should decide what is the density and population in Vancouver. There is lots of room to have a population of at least 1M. Just because Rupert and 29th Ave site is on a bus route and within 1km of Sky Train Stations does not mean that the new residents will use Transit/Cycling/walking. Bus route #27 "Rupert" has been cutback by TransLink as well as routes #s 4 9 10 14 15 17 26 28 29 32 41 44 480 N6 N16. more cutback will start Sept. 7 2020. We used to have 18 Night buses routes they were cut to 12 and in 2010 to 10. The Rupert/Renfrew area is one of the areas that do not have a NightBus. As City Council approves new developments we have to improve the Transit System. The 2019 book by Steven Higashide " Better Buses Better Cities" explains how to plan for effective transit Yours Truly Nathan Davidowicz Unappointed Transit Commissioner	Nathan Davidowicz			Shaughnessy	No web attachments.
