07/13/2020	09:27	PH1 - 4. CD-1 REZONING: 1425 and 1451 East 12th Avenue	Oppose	Hello, I am writing to express my concern about the housing units for seniors being planned at 1425 & 1451 E 12th Avenue in the Grandview-Woodlands area. I reside nearby at 1351 E 12th Avenue. For residents parking in the area is already uncomfortable during the day. Between the lack of day time parking on East 12th Avenue and the zoned parking close to Commercial Drive many people from outside of the community take advantage of the parking on E 11th Avenue. This housing project is slated to have 33 parking spaces for 157 housing units. I do not feel that this is adequate parking for the number of residents in the new building. Sincerely, Anne Johansen	No Name No Name (ps)		[REDACTED]	Grandview-Woodland	No web attachments.
