07/25/2020	15:48	PH3 - 2. CD-1 Rezoning: 6031 Dunbar Street	Support	Born in 1989, I was raised at 41st and Crown. Me and my three siblings have all left the neighbourhood due to extreme housing prices in the neighbourhood. You will hear from other people that this development will kill the vibe of the neighbourhood. Know this: decades of stagnant housing policy has killed the neighbourhood. We need density and development in Dunbar. The soccer club I played for in my youth already folded due to lack of enrollment. Local families cannot afford to buy or rent a single family home. We need density in all Vancouver. This density needs to be serious; carriage homes and basements suites aren't enough. Please approve this development. 07/26/2020	23:14	PH3 - 2. CD-1 Rezoning: 6031 Dunbar Street	Support	This strikes me as the gentlest of gentle density, and staff should study allowing developments like this throughout the city by right.	Michael Adria		s.22(1) Personal	Unknown	No web attachments.
