09/15/2020	15:08	PH1 – 4. CD-1 REZONING: 2336-2366 Charles Street	Support	Hello! I'm writing in support of this project. I am a renter to the south of this proposal and I'm excited to see new rentals and retail units being developed from otherwise prohibitively expensive single family residences in my community! This project has some interesting architectural features that will add to the character of Nanaimo Street, and the retail will help enliven the area and reduce the need to travel out of the neighbourhood for shopping. As a renter, I understand the immense difficulty of finding suitable housing in the COV, and the unique courtyard units will add needed variety and stock to the local supply of rental housing. I hope to see more projects like this along the length of Nanaimo Street! Thank you, Alex Thornton	Alex Thornton			Hastings-Sunrise	No web attachments.
