09/22/2020	19:00	PH1 - 3. CD-1 Rezoning: 720 Beatty Street and 701 Expo Boulevard	Support	As a home owner on Beatty I support this improvement to the area and the building design. This will improve the general atmosphere of the area and add to the look of future developments on the old Expo lands nearby. 09/23/2020	15:32	PH1 - 3. CD-1 Rezoning: 720 Beatty Street and 701 Expo Boulevard	Support	I cannot imagine why anyone in my neighbourhood (Stadium District) would oppose to this development. The current plans will reduce the air pollution in the Downtown to a large extent and substantially improve the outlook of the street with additional office and public areas. What's not to like? 09/28/2020	15:44	PH1 - 3. CD-1 Rezoning: 720 Beatty Street and 701 Expo Boulevard	Support	I'm really glad to see this lot finally being redeveloped. The plaza, pavilion and shops will be a huge improvement to this block.	Arash Ramin		[REDACTED]	Downtown	No web attachments.
09/28/2020	15:54	PH1 - 3. CD-1 Rezoning: 720 Beatty Street and 701 Expo Boulevard	Support	The current building on this block is a big eye sore and I think this will be a huge improvement. I'm happy to see that big investments in office buildings like this are still going ahead even during the pandemic.	Helene Perndl		[REDACTED]	West End	No web attachments.
09/28/2020	17:12	PH1 - 3. CD-1 Rezoning: 720 Beatty Street and 701 Expo Boulevard	Support	Thank you for accepting my comments about the proposed building for 720 Beatty Street. I'm a downtown resident and used to work at the CBC just a few blocks away from this building. I'm very much in favour of a dense downtown and support this new building. Also glad to see international talent designing buildings in Vancouver - we need more of that!	Robert Groulx		[REDACTED]	West End	No web attachments.
