10/18/2020	15:25	PH1 - 4. Amendment to the Regional Context Statement Official Development Plan By-law for 1580 Vernon Drive	Support	Please do build the planned temporary modular supportive housing. We must house everyone without a home. Take a look at Vernon Drive and adjoining streets: See the vans and cars parked, people living inside their vehicles. It is not fair or right. We must support everyone in need of housing. I am so excited about the modular housing you built close to Trout Lake and the Nanaimo SkyTrain station earlier this year: Two close friends of mine, brothers and carvers, moved into this building this summer and love their new housing. They had been homeless, one brother for a couple of years, the other for 30+ years. They love their places. I go shopping for them once weekly, so they can cook at home, and have seen an improvement in the two men. They are happier. Please keep building, until we house everyone. You are doing a great job, and I am so grateful: THANK YOU!	Pia Kuni		s.22(1) Personal and Confidential	Grandview-Woodland	No web attachments.
