11/27/2020	11:54	PH1 - 2. CD-1 REZONING: 4745-4795 Main Street	Support	Dear City of Vancouver Mayor and Council: I wish to express my support for the proposed project at 4745-4795 Main Street. I am a resident of the neighbourhood and I am very pleased to see that rental housing is being built in the area. This project adds options for younger families to move into the area as it is close to parks and has good access to transit. I strongly support the proposal's focus on sustainability design, and its addition of commercial activity which will benefit the entire neighbourhood. Please support the growth of our community by supporting this worthwhile rental project in our neighbourhood. Sincerely, Adrian	Adrian Garvey		"s.22(1) Personal and Confidential"	Unknown	No web attachments.

CD-1 REZONING: 4745-4795 Main Street	Support	Dear Mayor and Council, I support the rezoning of 4745-4795 Main Street for the following reasons: - Vancouver has an unhealthy vacancy rate and more rental options are needed - the City needs new rental housing stock - the gap between owning a home and ability of young people to afford one is significant and - this development compliments the neighbourhood. 11/30/2020	13:14	PH1 - 2. CD-1 REZONING: 4745-4795 Main Street	Support	Dear Mayor and Council, I write to show my support for these homes. This is a great location, well-served by transit and close to beautiful parks. It will make a great spot for more desperately needed rental homes in this city. I hope that one day our politicians will be bold enough to allow buildings like this to be built off of major arterials. Renters deserve to live on quiet streets too. It's nakedly classist and deeply unjust that we only allow buildings like this to be built on noisy, polluted, dangerous arterial streets. 11/30/2020	16:52	PH1 - 2. CD-1 REZONING: 4745-4795 Main Street	Support	Great to see a good looking new building replacing the parking lot that is currently at the property. A new building should add some energy back to the street and it's great to see that the developer has decided to build rental units rather than condos. Overall, I support the project and think it will be a good addition to this stretch of Main St.	Josh Bluman		"s.22(1) Personal"	Riley Park	No web attachments.
