11/20/2020	18:18	PH1 - 4. CD-1 Rezoning: 724 East 56th Avenue	Support	I fully support this development on Fraser Street. This is a development of small-scale apartments on 58th and Fraser and at Marine Drive and Fraser. So giving this development a green light is the right thing to do. Finally, this development is right because there will be retail stores under the development because we need more stores in this area. The place that is just sitting there is listless and there will be countless jobs that would be good because of the COVID-19 that is shaking the world right now. The development will revitalize the Fraser corner around 57th Ave and Fraser Street. This is what I refer to as Vancouver to be for the people living here.
