12/02/2020	12:48	PH1 - 5. CD-1 Rezoning: 2924 Venables Street	Support	Dear Mayor Stewart and Council, I strongly support these much-needed below market homes from a great non-profit operator. I do have to mention that 2 FSR is much too small for this location. If that is all the owner wanted or was able to finance then I respect that, but there is a missed opportunity to provide more housing. Still, 145 homes are worth celebrating and I hope they will be approved and permits expedited. Projects like this should not require a rezoning; it is a big missed opportunity that RS & RT are being excluded from the current effort to pre-zone for social housing in RM zones (where they will have to compete with apartments and condos for scarce multi-family land). 12/02/2020	14:42	PH1 - 5. CD-1 Rezoning: 2924 Venables Street	Support	I Linda Sweeney approve of this build. Brightside did everything they could to facilitate my move and I am very happy with my new accommodations. I believe the new building will accommodate many more people and families and this is what Vancouver needs at this time.	Heather L M Sweeney			Strathcona	No web attachments.
