CD-1 REZONING: 349 East 6th Avenue	Support	I want to express my support as a nearby neighbour "s.22(1) Personal and Confidential") for this important project and for Brightside as a strong, reputable non-profit housing provider. This is an important project for providing affordable housing in this community.	David Lee		"s.22(1) Personal and Confidential"	Mount Pleasant	No web attachments.
12/02/2020	13:09	PH1 - 7. CD-1 Rezoning: 349 East 6th Avenue	Support	Dear Mayor Stewart and Council, I would like to express my vigorous support for this proposal. These 82 homes are desperately-needed. Social housing residents deserve to get to live on quiet streets too. This is also a great location for a 12 storey building: it is in the urban core and a stone's throw from a future Skytrain station. If anything it is too small. We should be approving many more buildings like this and in more areas (RS & RT zones) as well. Thank you for your consideration. Sincerely, Owen Brady	Owen Brady			Grandview-Woodland	No web attachments.
12/02/2020	16:16	PH1 - 7. CD-1 Rezoning: 349 East 6th Avenue	Support	Dear Mayor and Council, Please support these homes. These will provide very badly needed social housing to our city and our neighbours. Concerns about "height precedents" should clearly not be given any weight in this context. The only problem is that social housing like this needs to go through expensive, lengthy rezoning processes in the first place. Homes like these should be buildable as of right, in every neighbourhood in the city, on or off arterial streets. Sincerely, -Peter Waldkirch	Peter Waldkirch			Fairview	No web attachments.
