11/27/2020	13:46	PH2 - 2. CD-1 Rezoning: 1325 West 70th Avenue	Oppose	The proposed development for 65 rental units with 50 parking spaces will cause chaos in the streets around the area. First, we have a school just meters from the building. Lots of children walk to school and back to their homes. All the extra traffic and people will be a safety issue for the children in the neighborhood. There is a lot of traffic already after the inauguration of the neighborhood public house. Not only children, seniors too as they use the neighborhood public house. Second, parking is an issue already around the area. Most street are packed with cars. this development would bring more cars into the streets.	Diego Chuang		[REDACTED]	Marpole	No web attachments.

Fear for my children stepping out of the house to go to the park or school. Fear of people following and watching him living in the new development.	Ivy Lou		[REDACTED]	Marpole	No web attachments.
