11/26/2020	11:13	PH2 - 4. CD-1 REZONING: 2406-2488 Garden Drive	Support	I support the rezoning application for 2406-2488 Garden Drive (AKA Garden Drive Apartments). I live and work in Vancouver and frequent the Grandview-Woodland neighborhood to shop, dine, and enjoy parks and community centres with my young family. Having reviewed the rezoning application on the City's website I believe the proposed is well suited to the neighbourhood, situated as it is on high-capacity transit and road corridors, adjacent to cycling routes, and nearby schools, community centres, and retail shopping. Furthermore, the inclusion of two and three bedroom units within the proposed development should provide much needed family-oriented strata housing. 12/02/2020	11:54	PH2 - 4. CD-1 Rezoning: 2406-2488 Garden Drive	Support	I am writing to support the development at 2406-2488 Garden Dr. As a nearby home owner and father of two I am hoping for there to be more multi-family housing in my area. My children are hopeful of being able to purchase and live in their community and would be unable to do so with the majority of housing in this area being single family homes. With half of these proposed units being studios & one bedrooms it would make this and similar developments more accessible to them and others entering the market. Thank-you.
