01/16/2021	19:17	PH1 - 1. CD-1 Rezoning: 810 Kingsway	Other	As the population increases along the Kingsway corridor we need better bus service. 1. N19 NightBus; Provides overnight bus service EASTBOUND on Kingsway But the WESTBOUND service has a big gap of over 2hours.( so it is not providing 24/7 bus service ) 2. No.19 need more frequent service. 3. No 3 Main No. 8 Fraser No.20 Victoria and No.22 Knight service was cutback in 2020/21 by up to 30%. 4. Need better Transit Traffic Management ( TTM ) on all the bus routes and provide more parking restrictions on all bus routes like 7am to 10am and 2pm to 7pm. in order to give priority and speed up the buses. Toronto has over 400 Transit Priority Traffic Signals Vancouver has none. 5. Developer should pay for at least one bus shelter like it is done in other cities.
