01/17/2021	12:01	PH1 - 3. CD-1 Rezoning: 441-475 West 42nd Avenue	Oppose	I strongly oppose the rezoning application on 441-475 West 42nd Avenue. The nearby area already has a handful of construction going on and another one will disrupt the lives of the nearby residents even more. The proposed rezoning plan is in the middle of a quiet residential neighborhood who will all be affected by the disruptions caused by a potential construction site. In my opinion, the area does not need a high/mid-rise building and should be kept as a quiet low rise residential neighborhood for the sake of its residents.
