Employment Lands and Economy Review Quick Start Actions: Initial Zoning and Development By-law Amendments to Support Neighbourhood Grocery Stores	Support	I am writing strongly in favour of bylaw amendments to support neighbourhood grocery stores. Employment Lands and Economy Review Quick Start Actions: Initial Zoning and Development By-law Amendments to Support Neighbourhood Grocery Stores	Support	As a longtime resident of Riley Park, I fully support the zoning amendment to introduce more options for small scale, local grocery stores and neighbourhood commercial into residential zones.
