02/09/2021	10:22	PH2 - 1. CD-1 Rezoning: 1766 Frances Street	Other	While I support & welcome new social housing in the neighbourhood, I don't support the 9 stories of this development proposal. It's out of keeping and scale with the rest of the neighbourhood. Commercial Drive and the surrounding neighbourhood is filled with "living scale" buildings and the 2 buildings in this neighbourhood that reject that stand out like sore thumbs. We don't need more high-rise buildings! 4 story buildings should be the limit in this neighbourhood. Let's keep some mountain views and light for the neighbours and keep the building to scale with the rest of the neighbourhood.
