02/11/2021	09:26	PH2 - 2. CD-1 Rezoning: 1015 East Hastings Street	Oppose	I am a resident of s. 22(1) East Hastings and I have studied the plan for the proposed social housing & beds for 1015 East Hastings; and with great confidence I can say this plan is going to further destroy an already unsafe neighbourhood. My sister and I have been already assaulted in the area couple times, there has been cases of defecating on the entrance of our building and the overall situation of the neighborhood needs anything BUT another social housing which is a call for more problems. If by any chance, you believe we have the right to live in a reasonable environment too, especially after paying an arm and leg to buy a property in this neighborhood, please stop this plan. There is already more than enough social housings in the area and maybe you could use a different part of the city this time just to be fair to us.	Behrooz Dalvandi		s. 22(1) Personal and Confidential	Hastings-Sunrise	No web attachments.
02/11/2021	09:35	PH2 - 2. CD-1 Rezoning: 1015 East Hastings Street	Oppose	I live in the neighbourhood (s. 22(1) E Hastings St) and have already seen how shelters in this neighbourhood have damaged the cleanliness and safety of our neighbourhood. My friend has been assaulted by junkies and homeless right next to my building, the homeless have defecated in front of my building a couple of times! I never feel safe to go out at night. We have lost our park to the homeless. There are already homeless shelters and social housing in the front , back and right side of my building, please leave at least one side alone. I think this neighbourhood has reached its capacity for homing homeless, maybe consider taking that shelter to another neighbourhood in the city! I am a professional and pay huge taxes, I have invested all of my saving in my apartment. I deserve to be able to step out of my house without worrying about stepping in urine or shit being assaulted all the time. I respect the community and deserve to live in a clean safe community. Brining an 80 bed shelter here would hugely damage the safety security and cleanliness of this neighbourhood. Please take it some place else.	Arefe Dalvandi			Hastings-Sunrise	No web attachments.
02/11/2021	09:46	PH2 - 2. CD-1 Rezoning: 1015 East Hastings Street	Oppose	We are concerned about the safety and security of the neighborhood.	Parjad Sharifi			Unknown	No web attachments.
