02/09/2021	07:51	PH2 - 3. CD-1 Rezoning: 3084 West 4th Avenue and 2010 Balaclava Street	Other	I oppose the current proposed Building design. I understand the need for higher density however, I would like city planners to consider, and I support the community driven "Balaclava option" that would maintain the heritage of the kitsilano area. There is not consideration for the location of the building in the current building design Please confirm receipt of my comments Thank you	Todd Wels		s. 22(1) Personal and Confidential	Kitsilano	No web attachments.
