03/28/2021	19:29	PH2 - 3. Amendment to Downtown Official Development Plan – Area K3 (Granville Street)	Oppose	Hello, I live in Yaletown near Emery Barnes Park. Our neighborhood has been in drastic decline since the Oppenhiemer Park people were moved to the Howard Johnson hotel a year ago. Things got worse when a drug overdose site was put at the corner of Seymour and Helmcken St. Open drug use, tossed needles, street disorder, garbage, and crime are now common in our once nice neighborhood. Opening more social housing will turn the Granville street into a new DTES. Please vote NO on this motion	colin	COLIN NOSEWORTHY		*s.22(1) Personal and Confidential*	Downtown	No web attachments.

This is the entrance to our city and Should be office over retail restaurant and clubs. We need to animate this street and make it lively and a great street. And add more cultural amenities - theatres and such. Put social housing a block back or elsewhere. We don't need ano her Hastings St.	Brent Belsher	No Name No Name (ps)		*s.22(1) Personal and Confidential*	Downtown	No web attachments.
