CD-1 Rezoning: 325-341 West 42nd Avenue	Oppose	Although I understand this will be a full rental building, the size and height of this proposed building is out of sync with all other buildings in the vicinity. The fact that this is neither on 41st nor Cambie itself and is on an inner street should deter the developer from being able to build this. In short, this will be a eye sore for the neighboring detach homes that may or may not assemble and build out in the next 5-15 years.
