04/09/2021	13:50	PH1 - 2. CD-1 Rezoning: 325-341 West 42nd Avenue	Other	This is a question to council / staff & Parks Board. I am not opposed to this application (in fact supportive) but I would like to know whether any CAC or DCC's will be applied to the playground facilities at the playground directly across the Street at Columbia Park. I urge the Mayor, Councilors, Parks Board & City Staff to take a look at the playground at Columbia Park. It is old & rusting. Considering the proximity and the fact that there will be a number of children that will reside in this building, City funding from developments such as these should go to funding a new playground. I am in support of this much needed housing stock in the area, contingent on the City providing funding from CAC's to improve the AREA - ie. new playground and Columbia Park improvements. Could staff or council please email me back a response or address this in the council meeting	Bo Lim		s. 22(1) Personal and Confidential	Oakridge	No web attachments.
