I walk by this empty (temporary dog park) every day and hope that this could turn into something special. I think it is a great looking building and like the connection to the outdoors. Being a west end resident I thought it wonderful that the developer will be giving \$26 million to the City to use specifically for community upgrades, in particular the West End Community Centre. I am hopeful the council will support this project	Lori Kay		s. 22(1) Personal and Confidential	West End	No web attachments.
