This will greatly increase the risk of spreading COVID-19 among the neighborhood. Currently, there are already too many people in the area. 05/11/2021	09:28	PH1 - 4. CD-1 Rezoning: 8257-8273 Oak Street and 1025-1035 West 67th Avenue	Oppose	I am a residence close to the new development site. The building to be built is too tall and it blocks near by skyline. It will generate a lot more traffic for the community. The city should limit the height of the development to 8 meters. Regards.
