05/03/2021	15:05	PH1 - 5. CD-1 Rezoning: 8655 Granville Street	Oppose	I am totally against having an 11 storey building erected at 8655 Granville Street. Traffic in this area is horrendous as is. This would create a lot more congestion. Also, an 11 storey building will block out sunlight to the surrounding buildings. I happen to live kitty corner to this area. 05/04/2021	16:40	PH1 - 5. CD-1 Rezoning: 8655 Granville Street	Oppose	As a long time resident of Marpole, I am opposed to the building of this tower. I own a condo behind the site, and among other things the tower would interfere with the morning sunshine that I currently enjoy. If built, my unit would not receive sun until 12:00 in the afternoon. In addition, several years ago our neighborhood requested that speed bumps be installed in our back lane to cut down on the amount of traffic going down the lane. Building a tower would once again increase the amount of traffic in our back lane. Thank you.	Susan Greenwood		s. 22(1) Personal and Confide	Marpole	No web attachments.
