06/14/2021	16:26	PH1 - 5. CD-1 Amendment: 480 Broughton Street	Support	Hello, I am a resident of Coal Harbour and I support the proposed CD-1 amendment at 480 Broughton. The additional floor area and height are negligible and I am happy to see that more social housing units can be accommodated with these small changes. Many of the comments in opposition are addressing the project as a whole, which was already approved years ago. Please don't take their comments as representing the whole neighbourhood. Many of us are happy to see a school and more housing for people in need. Thanks, Devon	Devon Harlos		"s 22(1) Personal and Confidential"	Downtown	No web attachments.

CD-1 Amendment: 480 Broughton Street	Support	Though any project on this property should be even larger than currently proposed, the project as currently envisioned is supportable and should be built ASAP.
