Coal Harbour development and elementary school
- 2. Position:**
Support
- 3. Comments:**
I am a working parent who lives blocks away from this proposal. As a working parent, I don't have time to wait to speak to you in person. I fully support this rezoning. I am lucky enough to have daycare for my toddler, but am dreading the school lottery, which could result in having to drive my child to a school that is not downtown. I don't want to battle traffic every day to take my child to a school that is not a part of the community in which I have lived for the past thirteen years, in which my child was born and all our friends live. The school and daycare are desperately needed for the residents of Coal Harbour, the West End, and Downtown. The social housing is important too. Please, please, please approve this proposal!
