

### 3. CD-1 Rezoning: 3353 Cambie Street (opposed)

Date Received	Time Created	Subject	Position	Content	Name	Organization	Contact Info	Neighbourhood	Attachment
06/07/2021	12:26	PH2 - 3. CD-1 Rezoning: 3353 Cambie Street	Oppose	Six stories is to high for this neighbourhood. The high buildings create shadows as they block sunlight. They also impair view corridors.	Wyatt Stephen Holuk		s. 22(1) Personal and Confidential	South Cambie	No web attachments.
06/09/2021	18:52	PH2 - 3. CD-1 Rezoning: 3353 Cambie Street	Oppose	I am writing about the proposed re-development application of 3353 Cambie Street from C-2 to CD-1. I am asking you to not allow this change. It is too high. It will cast a shadow that is unpleasant and depressing. The newest 3 storey building is already making us feel hemmed in - 6 stories will be excessive. You are not considering the feel of the Cambie Village when you allow a building of this height. It is not in keeping with the neighbourhood. It sets an unpleasant precedent. It is really sad to see the current business have to leave. They contributed so much to the area. It is not apparent that we need office space. While it is nice to have a daycare, it should not make us have to put up with an excessively high building to get one.	Sarah Slon			South Cambie	No web attachments.
06/12/2021	07:47	PH2 - 3. CD-1 Rezoning: 3353 Cambie Street	Oppose	The proposed building is much too tall for the neighbourhood. I love a block from the site	Ronith Cogswell			Mount Pleasant	No web attachments.
06/13/2021	14:22	PH2 - 3. CD-1 Rezoning: 3353 Cambie Street	Oppose	I think this proposed extra height of the proposed building should not be allowed, The existing height of neighbouring buildings should be maintained. Please do not allow this tall building to be built	Danilo Jubilo			South Cambie	No web attachments.
