Canada Lands Company

Canada Lands Company is a self-financing, federal Crown corporation that specializes in real estate, development and attractions management. The company's goal in all it does is to produce the best possible benefit for Canadian communities and the Government of Canada.

Canada Lands Company (CLC) is working with the MST Partnership to bring new opportunities to the Jericho Lands. Our goal is to transform these lands into an inspiring, progressive and sustainable new neighbourhood that is welcoming and a benefit to the community.

MST Partnership

THE PARTNERS

The Musqueam Indian Band, Squamish Nation and Tsleil-Waututh Nation have come together in a partnership to celebrate our cultural and family connections, and to reflect our tradition of working collaboratively to benefit our people.

We want to make sure that future generations of our people will benefit from jobs and economic activity within our traditional territories.

We will continue to work together to share our traditional territories and to ensure that all of our partners, both Indigenous and non-Indigenous, see the benefit of working together as one.

We believe that by working together we can develop First Nation economic opportunities in the traditional territories of Musqueam, Squamish and Tsleil-Waututh.

CLC and MST Partnership aspirations for the Jericho Lands include enduring recognition of the culture, tradition and values of the Musqueam, Squamish and Tsleil-Waututh peoples.

The process to develop the Jericho Lands Policy Statement will include multiple opportunities for engagement with the City and the community over the coming years.
