07/02/2021	17:53	PH1 - 5. CD-1 Rezoning 1190 Burrard Street	Oppose	I am strongly opposed to this project. I live in the neighborhood for 15 years and situation is getting worse and worse. There is a lot of vandalism, crime, streets are not safe to walk anymore. Increase of crime started with building/converting more social housing in the neighborhood. When I moved in, 15 years ago, there was only 1 building and now there are 2 buildings for housing in the same block. In few neighboring blocks there are at least 5 new buildings. In my opinion this is too much and we do not need another building. Many old-time tenants and me are considering moving because we do not feel safe to walk in front of the building, to go to the back to the garbage room' This project is not good for neighbourhood!
