06/20/2021	08:26	PH1 - 6. 1405 E 15th Avenue and 3047-3071 Maddams Street	Oppose	My wife and I have two concerns: The building is one storey higher than its brother across the street on 15th Avenue and will look out of place on the streets cape. There are 82 units in the proposed development but only 24 parking spaces. With such a low ratio, it means people without assigned spaces will park on the street which is already overcrowded with vehicles.	Montgomery Burt		s 22(1)	Kensington-Cedar Cottage	No web attachments.
