07/12/2021	14:27	PH2 - 2. CD-1 Rezoning: 546 West 13th Avenue	Support	Women centric housing is a key need in Vancouver and really needs some focus in our urban planning. The city is in dire need of social housing that is not just directed at women in name but designed for them and their needs. The aesthetics are visually pleasing and fit in well with the urban environment without being intrusive but the main thrust is the key work this would do in improving options for working, senior and at-risk women.
