06/28/2021	12:40	PH2 - 3. CD-1 Rezoning: 2929 Commercial Drive	Support	Good project with a lot of community benefits. I would prefer that the retail component be increased to extend the length of the street front with Commercial. This will help that part of Commercial become more lively, and increase available amenities for nearby residents and options for small businesses in the area.
