09/20/2021	19:42	PH1 - 6. CD-1 Rezoning: 3449-3479 West 41st Avenue and 5664 Collingwood Street	Support	I support this application because the City is lacking in rental housing, and more importantly, rental with access to transit and amenities. This project would accomplish both, and would serve as a positive contribution to this neighbourhood's future.	David Hammond		Unknown	No web attachments.

09/20/2021	22:35	PH1 - 6. CD-1 Rezoning: 3449-3479 West 41st Avenue and 5664 Collingwood Street	Support	I support this application because this City is in desperate need of more rental housing options. Since moving to BC I've had an incredibly hard time when it comes to housing. It puts a huge stress on residents of Vancouver and discourages those to stick around. It's been such a hard journey for good housing here.	Hailey Stulp		Renfrew-Collingwood	No web attachments.
09/21/2021	09:31	PH1 - 6. CD-1 Rezoning: 3449-3479 West 41st Avenue and 5664 Collingwood Street	Support	I am a third generation resident in Dunbar. Dunbar is desperately in need of more rental options for my children and extended family who would like to make it a fourth generation in the area but struggle to find options. Ideally with access to transit to get to university and work.	Harald Sinow		Dunbar-Southlands	No web attachments.

09/21/2021	10:25	PH1 - 6. CD-1 Rezoning: 3449-3479 West 41st Avenue and 5664 Collingwood Street	Support	Affordability in our city is a huge issue and the biggest contributor to this issue is the shortage of rental housing. As a renter in Vancouver for a number of years, I personally experienced the difficulty of finding an affordable, well-kept place to rent. I support this project because it provides a large number of long-term rentals that will help ensure Vancouver's residents have quality, affordable rental options. This project's proximity to transit and Dunbar amenities also make it a good location for multi-family.	Alex Walford		I do not live in Vancouver	No web attachments.
09/21/2021	10:31	PH1 - 6. CD-1 Rezoning: 3449-3479 West 41st Avenue and 5664 Collingwood Street	Support	Little progress has been made in making our city more affordable. And the primary reason is the low supply of purpose-built rental housing, much of which is old and in need of repair. As a resident near 41st, I have witnessed the exodus of families and young people as housing prices and rents have climbed. We need quality, long-term rental buildings to ensure the next generation has the opportunity to live in our city.	Gustav Schwenk		Oakridge	No web attachments.

CD-1 Rezoning: 3449-3479 West 41st Avenue and 5664 Collingwood Street	Support	I support this application because this City is in desperate need of more rental housing options, especially near transit and accessible amenities. I have seen that neighbourhood emptied out and turned into an investment/speculation playground with zero sense of community.	Deyan Ivanov		Kitsilano	No web attachments.

CD-1 Rezoning: 3449-3479 West 41st Avenue and 5664 Collingwood Street	Support	As someone who grew up in the Dunbar area, the project proposed by Sightline is one that is overdue. The Dunbar and 41st intersection requires rental housing and development as the neighborhood has become quite desolate over the past few years. The area proposed is perfectly situated for added density with UBC just down the highway and more developments happening in the neighboring areas. The proposed development is a perfect fit to be paired with neighboring commercial zoning.	Christos Platis		Dunbar-Southlands	No web attachments.
