09/30/2021	10:53	PH2 - 3. CD-1 Rezoning: 1157 Burrard Street	Support	I am writing my support for the proposed tower development at 1157 Burrard Street. I am a long time resident of the Davie Village neighbourhood and the area is in dire need of new life. The area is suffering from an overabundance of low income housing, shelters and general homelessness. Our crime level has increased a ton, especially in the last two years. My feeling is an anchor development like this will bring in new energy, neighbours, and business to the area that deserves a second chance. I sincerely hope this project is supported and can move forward as soon as possible. The survival of the Davie Village may well depend on it. For the record, I also support the height and scale of this development as it will serve as a gateway to the West End, and mark this area as a place of importance. Thank you, Graham Bingham s. 22(1) Personal and Confidential Vancouver, BC	Graham Bingham		s. 22(1) Personal and Confidential	West End	No web attachments.
