11/16/2021	Created 16:33	PH3 - 3. CD-1 Rezoning: 8460 Ash Street and 8495 Cambie Street	Support	I am an Ashley Mar co-op resident and I have two young children. The co-op has been a great place for our family. It's a supportive community and we love the location and the local schools. Before we moved, our unit had ongoing water issues and had to get repaired. The building also had a lot of moisture problems that led to mold. I'm very happy to have found a temporary home for my kids and I and I hope to come back to Ashley Mar when the new building is built. I hope that city council approves our application. CD-1 Rezoning: 8460 Ash Street and 8495 Cambie	Support	I am in support of the Ashley Mar Coop project because my husband and I are wanting to start a family but cannot find affordable housing in Vancouver. This will give us an opportunity to not only have a chance to live in a coop but be apart of the community where our future children will grow up.	Teresa Pho			Arbutus-Ridge	No web attachments.
11/16/2021	20:48	Rezoning: 8460 Ash Street and 8495 Cambie	Support	I'm in support of this development because there is a great demand for affordable housing especially in Vancouver. We need a sense of community , a community that looks out for each other. Another benefit would be that it's close to public transportation .	Elizabeth Gonzalez			Oakridge	No web attachments.
11/16/2021	21:10	PH3 - 3. CD-1 Rezoning: 8460 Ash Street and 8495 Cambie Street	Support	We are supporting the development of Ashley Mar Housing Coop. We believe that this will benefit more families including ours. We have been living in Ashley Mar from 2015 and see how this project starts from thoughts until it become black and white. And now, we are very excited to see the outcome and hopefully the development won't take too long. We also seeing the community around Cambie Area and the change it became and will become in few years from now. We are looking forward for this development. And we support the project all the way through. Thank you for giving us the chance to heard of our thoughts and opinion.	Dunstan Chambers			Unknown	No web attachments.
11/16/2021	22:31	PH3 - 3. CD-1 Rezoning: 8460 Ash Street and 8495 Cambie Street	Support	I support this redevelopment primarily because it will provide some much needed affordable housing in the Vancouver South area. Much more is needed and the redevelopment of Ashley Mar Coop is but a small fraction of the immense demand. With all the new high rise condos being built around the surrounding Marine Gateway SkyTrain station area you would expect or hope to find ample affordable housing but sadly this is not the case. Thank you Ashley Mar Coop for your part in trying to maintain and rebuild an affordable community.	Val Gonzalez			South Cambie	No web attachments.
