11/18/2021	18:46	PH3 - 3. CD-1 Rezoning: 8460 Ash Street and 8495 Cambie Street	Support	I am a member of Ashley Mar Housing Co-op. This redevelopment is very important to me because this will give way to more affordable housing for families with low income. This project will be of great help for seniors as well who don't have enough income to pay for high housing rentals. I really like the location because it is very accessible to all means of transportation, grocery stores, malls, clinics, etc. I am looking forward to the materialization of this project.
