CD-1 Rezoning: 534-550 Cambie Street	Support	Hi COV, I wanted to write and share my support for the proposal for 534-550 Cambie St. I work very close to this property and walk through this part of Downtown regularly. From looking at the plans and the video on the shape your city website, I like what I see in terms of what's been planned for this site. The design looks great, but most importantly to me, I like that this project will revitalize the street scape a bit more. At the moment, the area isn't very inviting from a pedestrian perspective, and is more a place to pass through. t would be great to have a restaurant or caf' here that would liven up this part of town ' I know my colleagues and I would definitely visit if this was built. All in all, I just wanted to share my two cents on renewing this part of the City. I think it has a lot of potential that is currently not being utilized. Would be a great project for the area.
