12/07/2021	10:24	PH1 - 2. CD-1 Rezoning: 534-550 Cambie Street	Support	Hi Mayor and Council ' I'd like to register my support for the office building at 550 Cambie Street, since my own office is located around the corner from the site. I think it's important to advocate for more high quality commercial spaces all across our city so Vancouver can continue to thrive and offer secure employment spaces for residents. This part of Downtown is currently underutilized and would make a great location for more commercial activity. I think a project like this would really help connect Gastown and with the CBD area & would invite a lot more people to walk in the area, and support the existing businesses located here. This is well-designed and unique. Would love to see this project move forward on the public hearing agenda today.	Sidney T.		s. 22 (1) Personal and Confidential	Unknown	No web attachments.
12/07/2021	15:30	PH1 - 2. CD-1 Rezoning: 534-550 Cambie Street	Support	I'm fully in support of renewing this site in our Downtown core. I know this site well as I use to work very close to here. This site kind of sits on the outskirts of Downtown and Gastown. Right now, it does nothing for the area in terms of creating a welcoming and active space ' renewing the site will change that. I like that the project is tiered in its design ' it makes for a really interesting looking building; which isn't something I see often in new office buildings. I also really like that the brick of the existing building is being kept! ' another great design feature I'd love to see more of! Looking forward to checking out the Bistro space in the base of this building once finished. Hope this goes through at the council hearing	G.
